

ADVANCES IN REGENERATIVE AESTHETIC MEDICINE

Integrating PRP, PRF, Fat Grafting & Exosomes

 **Hands-On Masterclass | Exclusive for UAE Licensed Doctors**

Organized by

Perfection Medical Conferences (PMC)
in collaboration with Shuaib Majeed Medical Equipment Trading

Sponsored by

COURSE HIGHLIGHT

- 2-day intensive, practical masterclass
- Live patient demonstrations
- Small group hands-on sessions
- Certificate of participation
- Complimentary workshop kit
- CME accreditation (pending confirmation)

ABOUT THIS COURSE

A comprehensive hands-on masterclass focusing on modern regenerative aesthetic techniques that enhance natural tissue restoration and rejuvenation using autologous and biological materials.

Participants will gain practical, evidence-based experience with PRP, PRF, Fat Grafting, and Exosomes applications in aesthetic medicine.

INCLUDED IN REGISTRATION

- Participation Certificate
- Hands-on practice materials
- Workshop booklet and procedural guides
- Refreshments and lunch
- Credit Voucher equal to registration fee paid to be redeemed at Shuaib Med

12 - 13 December, 2025

Dubai - UAE

2000 AED

Perfection Medical Conferences And Seminars - Practice With Perfection

ADVANCES IN REGENERATIVE AESTHETIC MEDICINE

Integrating PRP, PRF, Fat Grafting & Exosomes

 **Hands-On Masterclass | Exclusive for UAE Licensed Doctors**

COURSE MODULES

Module 1: Fundamentals of Regenerative Aesthetics

- Concept and science behind tissue regeneration
- Mechanisms of growth factors and stem-cell stimulation
- Patient selection and contraindications

Module 2: PRP & PRF in Aesthetic Medicine

- Differences between PRP and PRF: composition, preparation, and handling
- Indications: facial rejuvenation, hair restoration, under-eye treatment, scar revision
- Protocols for preparation, centrifugation, and injection techniques
- Hands-on: PRP & PRF preparation and injection methods

Module 3: Fat Grafting Techniques

- Principles of autologous fat transfer
- Fat harvesting, processing, and reinjection methods
- Facial contouring and volume restoration using micro & nano fat
- Hands-on: harvesting and reinjection simulation

Module 4: Exosomes in Regenerative Aesthetics

- What are exosomes and how they differ from PRP/PRF
- Mechanism of cellular communication and regeneration
- Clinical protocols and combination therapies (PRP + Exosomes)
- Live demonstration and case-based discussion

Module 5: Clinical Integration & Safety

- Sterilization, handling, and storage protocols
- Managing patient expectations and post-procedure care
- Combining regenerative methods with fillers, threads, and lasers
- Complications prevention and management

Module 6: Hands-On Practice & Live Demonstrations

- Preparation of PRP, PRF, Fat, and Exosome solutions
- Live patient demonstration for each technique
- Hands-on training in small supervised groups
- Q&A and interactive clinical discussion

COURSE OBJECTIVES

- Understand the principles of regenerative aesthetics and biological skin rejuvenation.
- Learn to harvest, prepare, and apply PRP, PRF, and Fat Grafts safely and effectively.
- Explore the latest uses of exosomes in anti-aging and tissue repair.
- Integrate regenerative techniques into aesthetic protocols and clinical practice.
- Gain confidence through live demonstrations and hands-on sessions.

WHO SHOULD ATTEND

- General Practitioners (GPs) with DHA/MOH/DOH license
- Dermatologists
- Aesthetic Physicians
- Dentists practicing facial aesthetics
- Plastic Surgeons
- Ophthalmologists (interested in periocular aesthetics)
- Cosmetic Gynecologists (for regenerative aesthetic applications)

Course Packages & Registration Options

PACKAGE 1 – INDIVIDUAL DOCTOR

Fee: AED 2,000

Includes:

- 2-Day Hands-On Workshop
- Certificate of Participation & Kit
- Refreshments & Lunch
- AED 2,000 Shuaib Med Coupon (redeemable for clinic supplies)

Ideal for independent practitioners and single-doctor clinics.

PACKAGE 2 – GROUP OF 3 DOCTORS

**Fee: Total Fee: AED 5,400 (AED 1,800 per doctor)
(10% discount on total fee)**

Includes:

- Full workshop access for 3 licensed doctors
- 3 participation certificates & kits
- Refreshments & lunch for all participants
- AED 5,400 Shuaib Med Coupon (redeemable for clinic supplies)

Perfect for clinics looking to train a small team

PACKAGE 3 – GROUP OF 5 DOCTORS

**Fee: Total Fee: AED 8,500 (AED 1,700 per doctor)
(15% discount on total fee)**

Includes:

- Full workshop access for 5 licensed doctors
- 5 participation certificates & kits
- Refreshments & lunch for all participants
- AED 8,500 Shuaib Med Coupon (redeemable for clinic supplies)

Best value for mid-sized aesthetic or dental clinics.

PACKAGE 4 – GROUP OF 7 DOCTORS

**Fee: Total Fee: AED 11,200 (AED 1,600 per doctor)
(20% discount on total fee)**

Includes:

- Full workshop access for 7 licensed doctors
- 7 participation certificates & kits
- Refreshments & lunch for all participants
- AED 11,200 Shuaib Med Coupon (redeemable for clinic supplies)

Designed for large multi-doctor clinics or hospital teams

Registration Process

COUPAN DETAIL

Every participant (or clinic group) will receive a digital coupon equal to their total paid registration fee, which can be used at Shuaib Majeed Medical Equipment Trading for purchasing dental, aesthetic, or clinical supplies.

- Coupon validity: 60 days from course date
- Applicable on all in-stock products
- Redeemable through in-store purchase or WhatsApp order
- Coupons are transferable within the same clinic or group
